Vers

There's fire in the rain
But we'll get up again
We're thousand miles apart
But we'll overcome
I'll never let you down
World is turning us around
But I feel it in my heart
Let's make a brand new start

Brygga

Can't stop us now, forget the haters
Get up and live and make it matter
There's more to life so go ahead and sing it out

Refräng

**Can you hear a million voices
Calling out in the rain?
You know we got a million choices
So go get out and let it rain
A million voices, voices
A million voices, voices
A million voices, voices
A million voices**

Vers

There's fire in the rain
And I can feel your pain
Painting all the scars in
The colors of change
Don't let them hold you down
Don't let them hold you down
Go shooting like a star
The star you are

Brygga

Can't stop us now, forget the haters
Get up and live and make it matter
There's more to life so go ahead and sing it out

Refräng

Can you hear a million voices
Calling out in the rain?
You know we got a million choices
So go get out and let it rain
Can you hear them?
A million voices, voices (*Can you hear them?*)
A million voices, voices (*Can you hear them?*)
A million voices, voices (*Can you hear them?*)
A million voices (*Can you hear them?*)
Can you hear them?
Can you hear them?
